*Campanile*

For everything there is a season,  
and a time for every matter under heaven:

A time to be born,

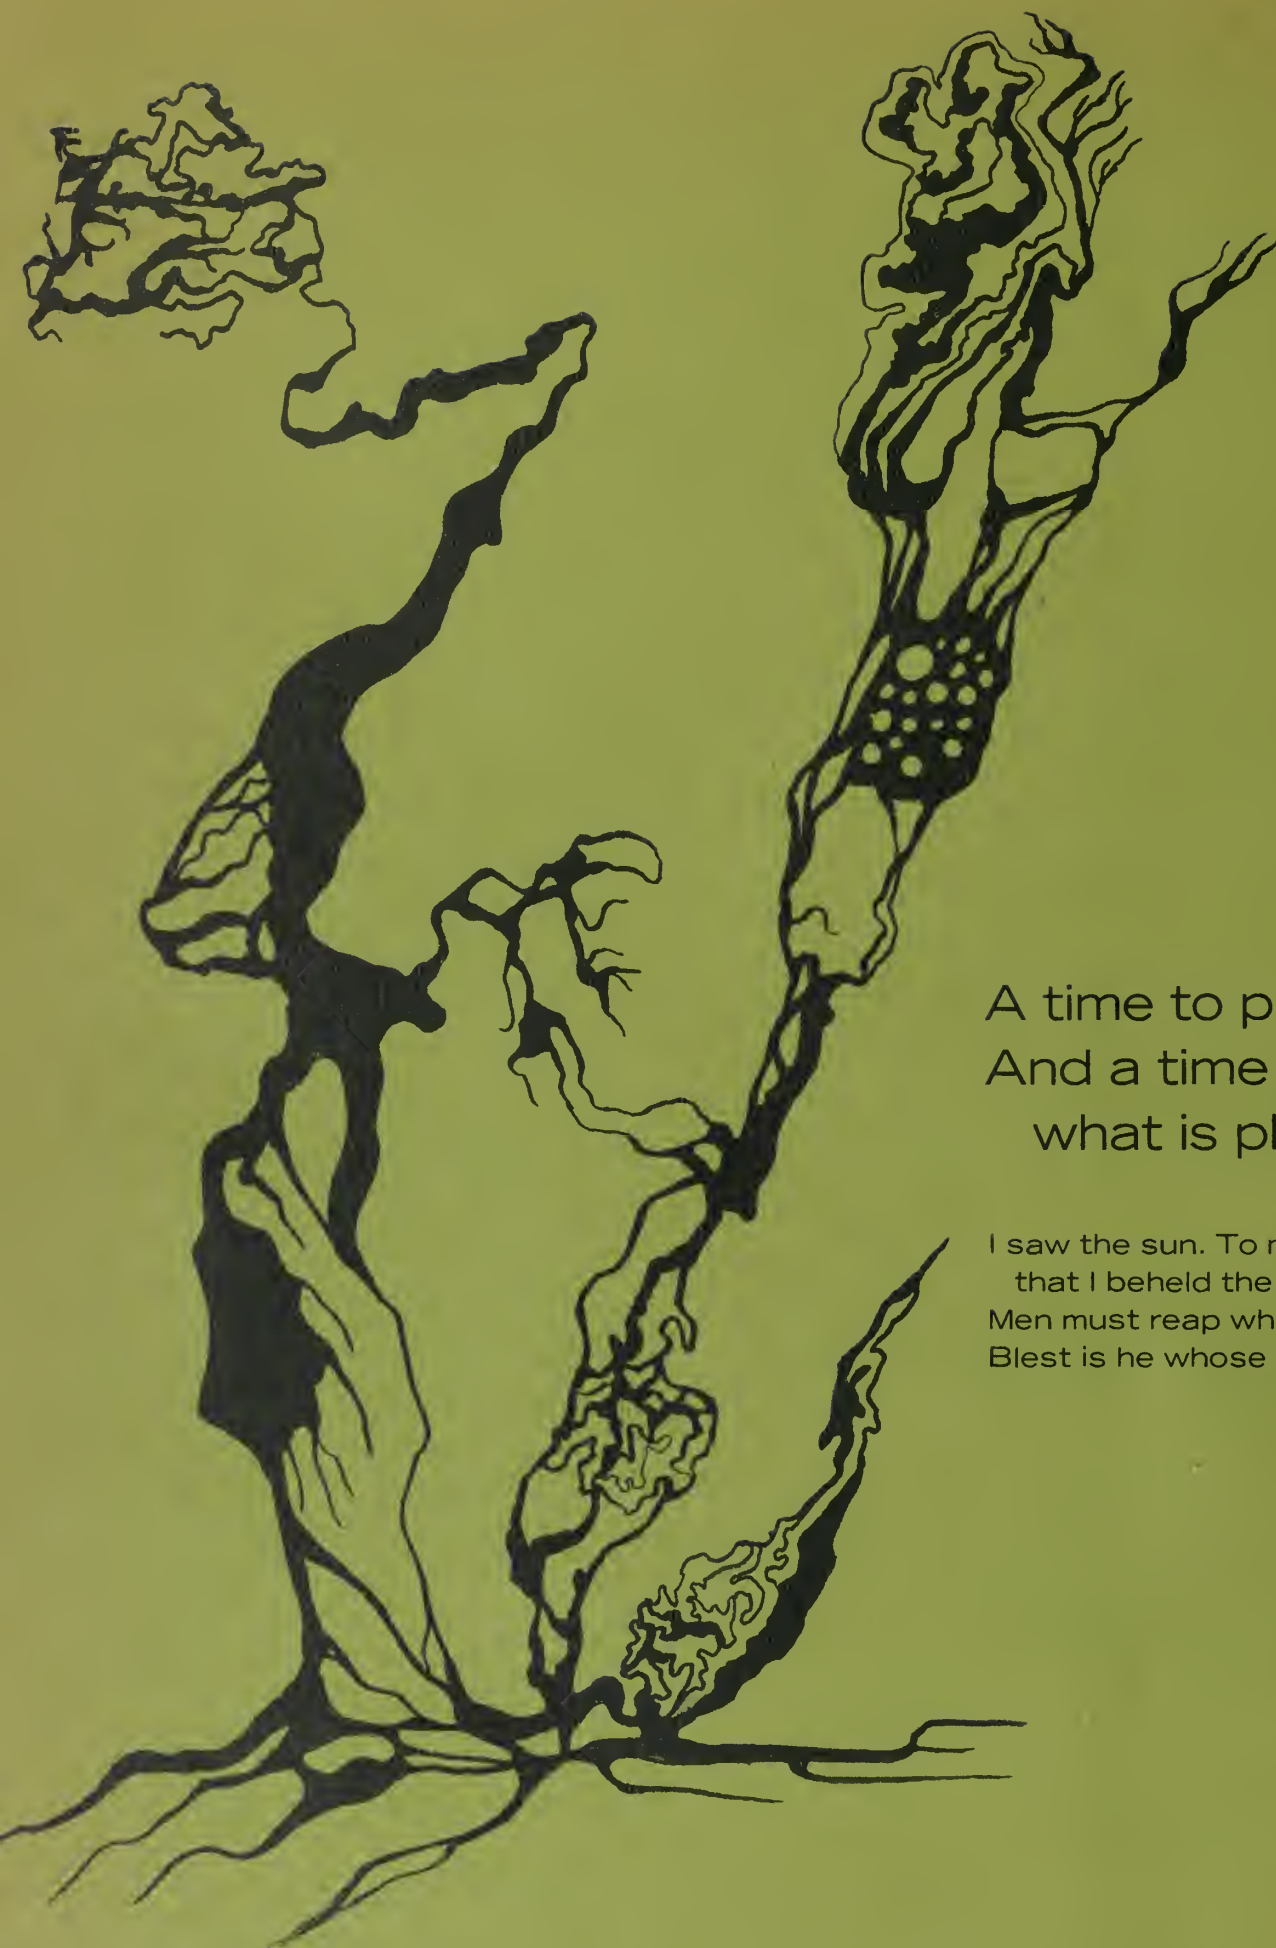

So beautiful and pleasant,  
Man's partial creation of life  
Just floating alone;  
Finding nothing worth hating,  
And everything worth loving.  
What a fallacy there must be in maturity.

And a time to die

A time to plant,  
And a time to pluck up  
what is planted.

I saw the sun. To me it seemed  
that I beheld the hidden.  
Men must reap what they have sown,  
Blest is he whose deeds are good.

A time to kill,  
And a time to heal;

A time to break down,  
And a time to build up;  
A time to weep,  
And a time to laugh;

A time to mourn,  
And a time to dance;

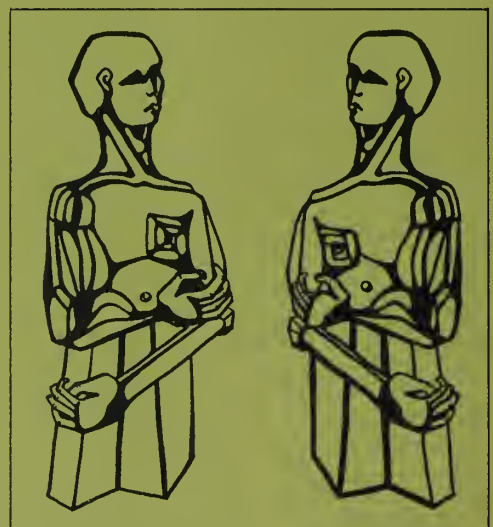

A time  
To cast  
Away stones,  
And a time  
To gather  
Stones  
Together;

A time to embrace,

And a time to refrain from embracing;

A time to seek,

To be looked at,  
To be desired,  
To be naked,  
To be wanted,  
Is to see the face of God.

And a time to lose;

A time to keep,  
And a time to cast away;  
A time to rend,  
And a time to sew;  
A time to keep silence,  
And a time to speak;

A time to love,

And a time to hate;

A time for war,

And a time for . . .

PEACE

A time for seasons . . .

Joanne Shulz, CLC sophomore  
Born: March 13, 1947  
Died: October 7, 1966

### THE LAST NIGHT by Joanne Shulz

I wanted to be alone that cool, crisp night. I wanted to gather my thoughts, which were thoroughly muddled from the excitement and anxiety of moving. I wandered about the garden for a few minutes; then I sat on the grass under the old apple tree, my heart still aching from the thought of leaving the next day. The orange August moon shown

down on the tree, making shadows on the ground, and although the air was cool and crisp, the moon cast a warm feeling. For a moment I felt as if I had escaped the cold world of reality, but the noises of the gentle stillness beckoned me back. The crickets were singing eulogies to the lost summer, as the still, honey-suckle-scented wind whispered, "You'll return."

## and Bishop Pike Stir Controversy During Fall Quarter

Monday, October 17, 1966, Republican Gubernatorial Candidate Ronald Reagan spoke to a "standing room only" crowd at California Lutheran College when only two weeks before the controversial Bishop James Pike spoke on the topic of "Therapeutic Abortion."

Reagan captivated his audience for better than a half hour with several interesting anecdotes pertaining to the Brown "machine," and then began a serious discussion of the problems confronting the citizens of California. He mentioned briefly, yet covered completely, the problems of crime rate increase under the Brown administration, the misuse of welfare funds in California, inadequate facilities for job training, and mismanagement of the educational system of this state. Reporters from several local television stations and newspapers heard Mr. Reagan explain his stand on selected campaign issues.

# Student Council Organizes to Face a Busy School Year!

Using the theme "Soli Deo Gloria," Student Body President Dave Andersen began his 1966-67 term of office with a message to the student body, excerpts of which are quoted below:

"The new academic year brings a familiar scene. CLC is giving birth to its fall quarter; new friendships are made and old ones are deepened, goals tempered with hope are set, enthusiasm runs rampant. Eventually the excitement wanes, and students adjust to the long and sometimes monotonous climb to achieve their higher education. The original goals and aspirations then fall prey to the tedious work that they require; their lustre never survives the tarnish of daily menial task that is nevertheless a necessity. This happens frequently in student government work and must be avoided in several ways."

David then proposed ways to avoid apathy in student government. "First, the student who properly understands student government sees that he is involved in it by virtue of his situation, whether he wants to be or not. As a living member of the college community, everything he does affects and is affected by student government."

Second, students must realize that changes come slow. They come after careful consideration, after boring and long meetings, and after someone has lost some sleep over the problems. Changes cost energy.

Third, student government needs students that care. It means that people are still concerned when they are tired, when something requires that they go out of their way, or when they have no personal benefit. To care at leisure is not caring."

The 1966-67 student council included: (back row, left to right) Willie Ware, Academic Affairs Commissioner; Mark Reitan, AMS President; Dennis Riley, Athletics Commissioner; Rick Rouse, Student Publications Commissioner; Ron Zurek, Junior Class President; Tim Keuhnel, Sophomore Class President, (middle row) Joanne Satrum, AWS President; Jane Snyder, Publicity

Commissioner; Sandy Pfankuch, Pep Commissioner, (front row) Jerry Mays, ASB Treasurer; Pete Olson, ASB Vice-President; Dave Andersen, ASB President; Jan Monson, ASB Secretary. Members not pictured are Rolf Soderberg, Social Commissioner; Wally Garman, Senior Class President; Mike O'Donnell, Freshman Class President.

## Kingsman Views the Season

This was the Year of the Victors; the fifth season in the brief football history of CLC, and in many ways, the greatest. The eleven 1966 graduates who made the nation's num-

ber one offense team were gone, but the winning heritage remained. Coach Robert Shoup moulded the young ball club (six freshmen on the gold team) into a tough group, and in spite of many injuries and other set backs, they came through with a fine effort.

It all began on August 31, 1966, with the old and the new prospects reporting for practice. Three practices a day, and then the scrimmage with Santa Barbara City College. Only one week remained before our first game with Lewis and Clark.

Lewis and Clark came with Shef and Man-Mountain Bailey, but they didn't have a Regalado, who scored twice to lead the Kingsmen to a 22-16 victory.

A week later CLC played a tough band of La Verne Leopards, but the Kingsmen were ready and left the Leopards seeing spots on the short end 20-14. It was the fourth victory in a row against La Verne for CLC since La Verne's win in 1962.

Next we traveled to Redlands with a cry of revenge on our lips (CLC's only loss in '65, 9-6 to Redlands). The gold team hit and the purple team moved the ball against a strong Redlands team (eventual SCIAC champions). The efforts of John Roseth and Mike McLean stood out in the 33-24 victory over the Bulldogs.

Back to Mountclef Field to face the Stags of Claremont-Mudd. The defense really shined in this game, in spite of what the 54-0 victory might indicate. But the price of victory came high as we lost Alonzo B. Anderson (58) for the season.

It was off to Colorado via United Airlines to play Colorado College Tigers in our fourth game of the series. After being behind at the half-time, 13-6, the team pulled themselves together with John Luebtow leading the way, and came out ahead, 26-13. Coach Garrison's half-time speech will never be forgotten.

Getting an invitation to the Rose Bowl before USC, the Kingsmen took on Cal Tech to breeze to a 48-6 win. Split end Jim Quiring set a new record for yards gained on receptions in one game with 174 yards.

Next we ventured to the home of the Occidental Tigers, but it just wasn't our night. The defensive play was excellent, but the offense just couldn't muster a decent drive. The team fought hard, but lost 16-0.

Homecoming at Cal Lu, and the alumni watched as we defeated a tough University of San Francisco team, 15-12. Joe Stouch and Roger Young stood out among the many fine players. Curt Amundson, a guard, was also in the limelight as he scored CLC's first touchdown of the game. A great goal line stand with two minutes to go in the game put the game in the bag.

Smog anyone? Yes, you guessed it—our next game was with Pomona College. Injuries finally caught up with us. Playing hard to recover our poise after a bad first quarter, we lost a heartbreaker, 40-14.

Now with a 7-2 record, CLC played the last game of the season against UCR. Returning to their typical style of football, the Kingsmen thrashed the Highlanders, 36-22. The highlight of this game was Dave Regalado's eleventh touchdown of the season, breaking his record of ten.

The actual story is in the pictures you see before you, for actions speak louder than words.

Coach Garrison watches as the Kingsmen battle.

Little All American Stan Scheiber is set to receive a pass in 33-24 victory over Redlands.

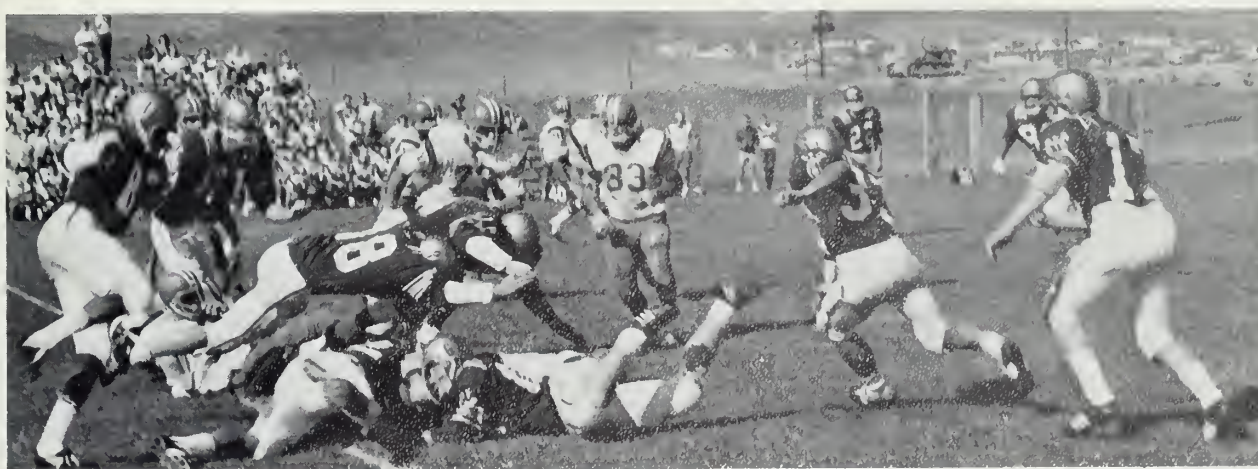

Ted Masters rushes in to block a punt against La Verne.

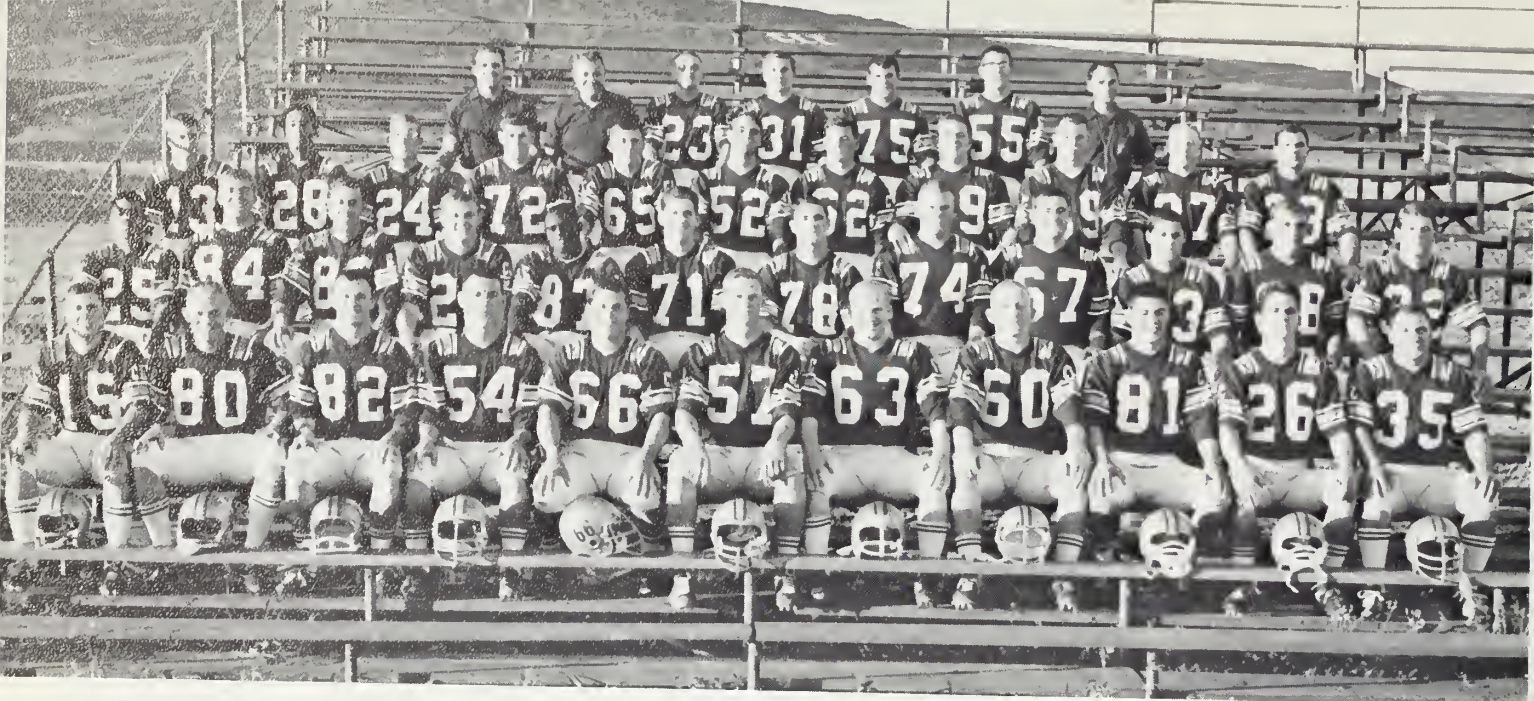

In spite of some rather determined gentlemen, Tim Roettger is zeroing in to make the tackle in a 15-12 Homecoming victory over USF.

Fumble! That's the cry as several members of the gold team – Ted Masters (87), Bruce Brammel (88), Tom Proffitt (67), Dan Johansen (33), and Skip Davis (17) – rush for the loose "pigskin".

Most Valuable Player .....

William "Robbie" Robinson

Team Captain ..... Tom McGarvin

Coach George Engdahl carried on the theme, "The Year of the Victors," by coaching his Junior Varsity team to a 5-1-1 season, the best in CLC's short history. Also assisting Coach Engdahl were coaches John Paris, Jim Crutoff, and Cary Washburn. Led by such stalwarts as Ron Conner, Bruce Thomas, Chris Elkins, Carl Clark, and Robbie Robinson, the CLC J.V.'s averaged 24.4 points a game while giving up only an average of 9.7 points to its opponents.

The season began with a 20-20 tie against La Cuesta Junior College at Paso Robles and was followed by a hard fought loss to the UCSB frosh, 22-9. But the Kingsmen weren't to

be denied as Coach Engdahl and staff began to wave their magic wands and the team came up with their first win of the season against San Fernando Valley State 24-6.

Next came a grudge match against Whittier College. Coach Engdahl really wanted this one, and so did the Kingsmen as they "socked it to them" 27-8 on Whittier's home field. A long bus ride brought the purple and gold to the home of the Redland Bullpups. It was a scoreless contest until the fourth quarter when the Kingsmen scored with Tom Hoak carrying over the mail and Bob Sjolie adding the extra point. As the gun sounded, the final score was 7-0.

Playing only 13 minute quarters against the University of California at Riverside, the Kingsmen racked up touchdown after touchdown in a one-sided 51-12 victory over the well-conditioned UCR men.

The Kingsmen J V went into their last game with a chance to make amends for the Varsity's close loss to Occidental a month earlier. Not only did they make amends, but they also took the "Tigers by their tails" and left them at the short end of a 33-0 score closing out a great season.

John Edwards ably defends against an attempted touchdown aerial in a 33-0 win over the Oxy frosh.

# Harriers Improve in Fall Competition

Bill Phipps, Junior

Ron Gothberg, Junior

Though not a winning season, CLC's cross country men, coached by Mr. Curt Nelson, had quite a successful season. With hard work they improved with each meet. It was a long season, but their work did pay off as the CLC's harriers defeated Chapman in the last home dual meet of the year. It was a rough go this year, but things look brighter in the future, as all will return for next season's campaign. Chuck La Gamma, Gary Rife, Ron Gothberg, Bill Phipps, Richard Harris and Jim Bostwick are to be commended for their determination.

# CHRISTMAS

In those days a decree went out from Caesar Augustus that all the world should be enrolled. This was the first enrollment, when Quirinius was governor of Syria. And they all went to be enrolled, each to his own city. And Joseph also went up from Galilee, from the city of Nazareth, to Judea, to the city of David, which is called Bethlehem, because he was of the house and lineage of David, to be enrolled with Mary, his betrothed, who was with child. And while they were there, the time came for her to be delivered. And she gave birth to her first born son and wrapped him in swaddling clothes, and laid him in a manger, because there was no place for them in the inn.

And in that region there were shepherds out in the field, keeping watch over their flock by night. And an angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were filled with fear. And the angel said to them, "Be not afraid; for behold, I bring you good news of a great joy which will come to all the people; for to you is born this day in the city of David a Savior, who is Christ the Lord. And this will be a sign for you: you will find a babe wrapped in swaddling clothes and lying in a manger." And suddenly there was with the angel a multitude of the heavenly host praising God and saying, "Glory to God in the highest, and on earth peace among men with whom he is pleased!"

TIME TO RE→  
JOICE... TO  
CREATE... TO  
BE CREATED.

Christmas, that joyous season, found the California Lutheran campus gaily decorated and happily active. The cafeteria, library, and administration buildings were painted with familiar Christmas symbols and extracts from the Twentieth Century society's everyday sayings. In Sister Corita style, these painted windows used mundane sayings to tell the familiar Christmas story with a new vitality.

Traditional activities included the Lucia Bride Ceremony sponsored by the A.W.S. and an all-campus communion service arranged by the Religious Affairs Commission. Due to rainy weather, the Tree Lighting Ceremony on the top of Mt. Clef was cancelled. But there was always the thought that Christmas is the time to rejoice at the birth of our Savior. And California Lutheran College did rejoice!

# Dr. Norman Habel Rejuvenates Spiritual Re-Emphasis Week

Dr. Norman Habel, Assistant Professor of Old Testament at Concordia Seminary, St. Louis, selected by the Religious Affairs Commission to be this year's speaker during Spiritual Re-Emphasis Week, brought with him many up-dated ideas and modern liturgical forms. The theme, "The Imagination of God," lent itself to Dr. Habel's pursuit of his own field, "Genesis and all that." The occurrences ranged from a communion service in the contemporary folk song idiom, to a coffee house in our own College Union Building. Most certainly the communication of the Christian message, one of the primary goals of Spiritual Re-Emphasis Week, was well accomplished.

Dr. Kuethe, professor of philosophy, and Dr. Habel discuss the foreign film which was shown as a part of Spiritual Re-Emphasis Week.

# Opera 'The Marriage of Figaro' Presented Formally

Directed by CLC music professor Gert Muser, the opera was presented formally and in English. Mr. Elmer Ramsey conducted the CLC-Conejo Symphony Orchestra for their part in the performance.

Members of the cast included soloists:

Sometimes, the game moves so fast you lose track of things. Wally Garman (foreground), Craig Myers, and Mike Mayfield, along with the Redlands team, seem to be concerned with something besides the ball.

Guard Rick Schroeder gives Redlands player a helping hand in the same game as above.

Junior forward, Bob Looney, in but 15 games, led the team with 17.6 points and 10.8 rebounds per game. He was given honorable mention on the NAIA district 3 basketball squad for 1966-67.

Practice for basketball began early in the football season. Here the team is caught by the camera in an impromptu practice session.

## La Gamma, McLean, and Baumgartner to NAIA Nationals

NAIA NATIONAL QUALIFIERS: Larry McLean, Rex Baumgartner, Chuck LaGamma.

Coach Garrison's matmen came up with a great effort this season. They won 9 matches and lost 8, but won 6 and lost 2 against NAIA opponents, and ended a fine season by winning the NAIA District III Championship, the first district Championship in CLC's short history.

There were many fine performers during the season, such as Ted Eckman (115 lb.), Mike Haynes (130 lb.), Tim Kuehnal (137 lb.), Bruce Wilcox (145 lb.), Lane Ongstead (152 lb.), Rugner Storm-Larsen (167 lb.), Bob "Bucky" Bonner (177 lb.), Mike Rodriguez (177 lb.), and Bill Snipes (191 lb.), but the three standouts were Chuck "Charlie Tuna" LaGamma (123 lb.), Larry McLean (137 lb.), and Rex Baumgartner (Heavyweight), who went to the NAIA National Tournament.

## Basketball Is Part of Women's Intercollegiate Sport Activities

CLC's Women's basketball team composed of Pam Betus, Sandy Fittinger, Penny Benson, Norma Van Dalsom, Janice Wood, Rosemary Reitz, Sue Hollister, Lesli Jones, and Celia Sawyer was coached this year by Miss Nena Amundson and Joyce Parkel. The team played women from colleges such as UCSB, USC, Cal State at Fullerton, Biola, and San Fernando Valley State. Basketball is just one of the many sports in which CLC women competed intercollegately.

Rosemary Rietz fights for the ball in the middle of the action.

Pam Betus (#10) reaches for the ball as Sandy Fittinger watches from behind.

Dr. James Evensen of the geology department and Dr. John Keuthe philosophy professor open the talent show with a short pantomime.

For the traditional junior class show, this year's junior class called upon members of CLC's talented faculty to supply the entertainment. A complete success, the Faculty Talent Show was performed to a capacity audience.

Some of the acts not pictured included a male vocal quartet of faculty members, a monologue about the first woman in space by Mrs. Barbara Hudson Powers, and a magic show by Dr. John Cooper. A skit which involved members of the humanities division concluded the evening.

Head of the physical education department, Dr. Robert Campbell balances a ladder on his chin after having first balanced such "simple" items as a lead bottle and a chair.

Dr. Campbell moves on to even harder challenges by balancing a bicycle on his chin.

Mr. Ed Creason, head resident of Mountclef Inn, served as master of ceremony for the evening.

Mr. Wallace Richards from the Drama Department entertained the audience with an interpretation of Hamlet written for second grade children.

Dr. Hillila demonstrates one of the skills which accompany his tightrope walking as student Phil Randall watches and steadies the table.

About to demonstrate his ability to walk a "slack" tightrope while playing the clarinet is Dr. Bernard Hillila, Dean of the college.

Dean of Women, Miss Dorothy Hall tells about the problems and joys of the life of a "typical" CLC co-ed.

## WHO'S WHO

"Who's Who" are elected annually in balloting by the Junior and Senior classes and faculty. To be eligible for election, students must have an accumulative GPA of 2.5 and junior standing. The voters are asked to consider the following criteria in making their choices:

- a) Commendable academic achievement
- b) Constructive participation in campus activities
- c) Good character
- d) Responsible leadership
- e) Excellent potential for achievement in chosen vocation
- f) other things being equal, preference should be given to seniors.

All work and no play? Not for Dan and Dave.

Mr. Bjelland chats with Dr. Ebba Aronson of CLC's education department.

With his back to the camera, Dr. Braendlin, faculty advisor to the Student Publications Committee, watches the debate between the Mountclef Echo and the Choice editors.

## Winter Brings Discontent: The Choice Emerges

The watchword was "A Choice, not an Echo." The problem, as expressed in the Choice, was that the Mountclef Echo was not fulfilling its obligation as a forum for student opinion. In an attempt to fill the void, the Choice was published weekly in the hopes that students would contribute thoughts and reactions on campus and social issues. The Choice served as a valuable measure of an indication of student concern, for it soon ceased to publish due to lack of economic support.

On February 24, 1967, the Los Angeles Times carried an article about California Lutheran College entitled "COFFEE SHOP CLOSING FOR CHAPEL PROTESTED." The article quoted David Andersen, ASB President, who called the issue "a very subtle form of coercion." David went on to say that "the administration didn't respect the maturity of the student body".

The issue is the parent-like attitude of administration toward students and the question, "Liberal Arts College or Mighty Fortress?" It is possible that 1967-68 school year will supply the answer. During the winter quarter, 1967, however, the real question seems to have been lost in the coffee grounds.

The lineup for the Echo versus Choice discussion is as follows, from left to right, Alan Boal, Choice Editor; Bill Carlsen, Choice staff writer; Morris Pleasant, moderator; Jim Montgomery, Mountclef Echo Editor; and Rick Rouse, Student Publications Commissioner.

# Camarillo Project Includes Many CLC Students

The Camarillo Project consists of groups of students who once a month go to the Camarillo State Hospital for the mentally ill and visit with the patients. Usually the visitation consists of a short program of some sort, and then person-to-person conversation – individual attention for the patients which is the real purpose of this program.

This year found 100 students participating in the program, visiting an average of 8 wards or 400 patients a month. The program is in its fifth year at CLC and while the need for this participation by CLC students continues it will be met by students sensing this as an opportunity for genuinely significant action.

These students participated in a total of 15 tournaments competing against many of the top college debaters in the nation. Out of a record of 274 debates, CLC students compiled a 63% win-loss record. In addition to several excellent and superior awards these students received a total of 3 first place trophies, 1 second place and 4 third place trophies. These awards were received at the following tournaments:

- The Pacific Southwest Collegiate Forensic Association Clinic

As Bob Fulenwider demonstrates, this year's ball season seemed to be one big rain storm. Even when they did get to play, they had to wade through the mud. Bob, by the way, was batting champ this year with a .346 average.

Although they sustained a losing season, the team did have a few high points this season. Notable among these were the days it didn't rain. They played UCLA this year and for a few innings gave them a real battle. Then they went on to beat Cal State LA who had beaten UCLA. So, win or lose, we are moving to the big time now!

At the Spring Sportsmen's Banquet Coach Mulder presented a co-captaincy award to junior centerfielder Pete Olson and senior Butch Kempfert. The Most Improved trophy to junior shortstop Dave Carlson, who improved his batting average by more than 50 points over the previous year, and the highest batting average prize to sophomore second baseman Bob Fulenwider.

## Baseballer Butch Kempfert Receives the George Carter Chi Alpha Sigma Award

Butch Kempfert, a three-sport star at Cal Lutheran during his four year career, was named as CLC's top senior athlete in receiving the George Carter Chi Alpha Sigma Award. Butch is a former star athlete from Camelback High in Phoenix. Kempfert also received the MVP award in baseball, presented by outgoing coach, Ron Mulder, as well as the trophy for being selected as team co-captain. Kempfert, CLC's No. 1 pitcher of the past three years, also won the MVP award in basketball this year.

California Lutheran's Butch Kempfert unloads a pitch that typifies the style that has twice brought him one strike away from no-hit ball games.

He's Out - Kingsmen Pitcher Butch Kempfert grounds out in the first game of a doubleheader against Pasadena. The Kingsmen won both games, 5-3 and 7-3.

Kempfert runs to first in an attempt to score as the Kingsmen compete against UCLA.

Dave Carlson fails to beat the ball before he is tagged out at first.

## A Coming of Age . . .

This year, for the first time in history, the CLC Tennis Team won a match. In fact, not only did they win a match, they won nine and lost five. This record constitutes a winning season.

These fellows deserve a real vote of appreciation for a tremendous year. They were No. 4 in District III of the NAIA, and have been chosen as hosts for next year's district III championships.

Coach Mike Taggart, new at CLC this year, is probably the main reason for the team's success. An excellent player himself, he has added a necessary spark in the efforts.

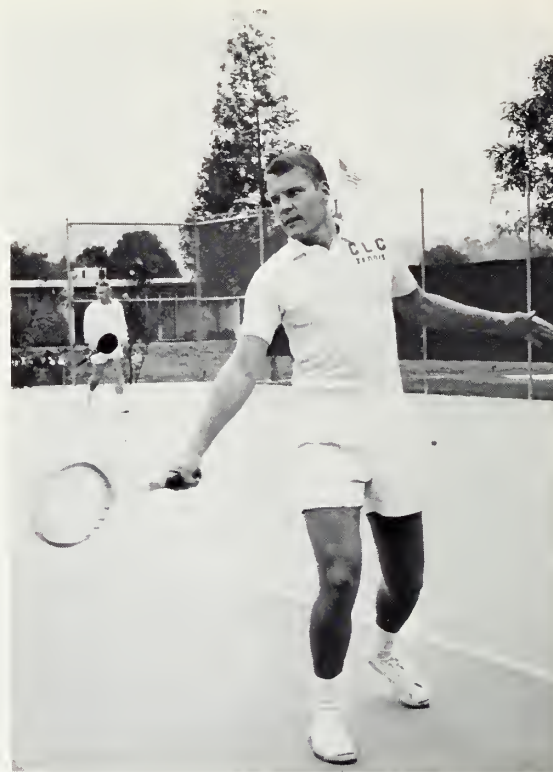

Captain Mark Reitan receives award for most improved player, while Mark Wangsness receives award as most valuable player. Mark, a freshman, was #1 all season.

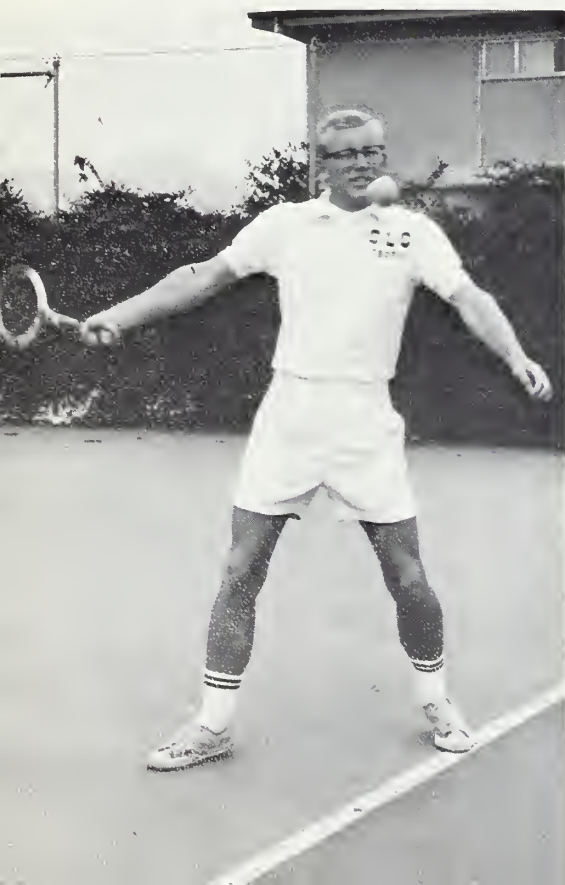

## A Style That Swings

Howard Hicks delivers a forehand smash.

Backed into a corner, Geoff Lilich delivers a forehand return.

Playing up close to the net is sometimes hazardous, as Bill Roberts demonstrates.

## Thinclads Set Many Records

In spite of the rain, it was quite a successful track season. Team victories were not as many as Coach Nelson would have liked, but the Kingsmen thinclads managed to win three meets. Individual efforts, however, were outstanding. Six new school records were set. Adrian Ferguson, a frosh from Alaska, set three: the high jump (6'2"), the 120 yd. high hurdles (:15.2), and in the triple jump (44'9¾"). Ken Olson, a sophomore from Thousand Oaks set two: the shot (43'4½") and the Javelin (166'10"). Senior Stalwart Lee Lamb (four year Letterman) broke his own record in the discus with a toss of 146'7¾". Other team members who helped make the season successful were: Chuck Arneson (880, 440, mile relay), Jim Bostwick (mile, 2 mile), Chris Elkins (880, mile relay), Jim Gottfried (100, 220, Javelin,

440 relay), Larry Kersey (440 low hurdles), Craig McNey (100, 440 low hurdles, 440 relay), Terry Rakow (100, 220), Gary Rife (3 year Letterman—440 low hurdles, 120 high hurdles, mile relay), Robbie Robinson (100, 220, 440 relay), Ron Schommer ("The Fresno Freight"—100, 200, 440 relay), Joe Stouch (440, mile relay), Bill Swiontkowski (three year Letterman—mile, 2 mile), Loran Todd (discus, shot), Bob Turzian (discus), and Mark Woldseth (the "Running Beagle"—440, mile relay). Starring as the unlikely lovers in the island romance were Gert Muser, CLC associate professor in music, as Emile DeBecque; and student Lois LeRud as the captivating Ensign Nellie Forbush. They are pictured at left.

Bloody Mary was portrayed by Arlene Kaiser, famed actress of the CLC campus; Luther Billis, portrayed by Don Haskell, a former member of Walt Disney's Mouseketeers. Lt. Joseph Cable was played by Steve Jensen, and Liat, the beautiful Tonkinese island girl was played by Janet Garrett.

Chris Caldwell, daughter of CLC Librarian John Caldwell, and Doug Ramsey, son of Mr. Elmer Ramsey, assistant professor in music at CLC, took the parts of Emile's children.
